

SPECIALITY GRAPHIC ARTS PENS

Plate Addition Pens

Used to fill in pinholes, repair broken solids and add images on all metal, electrostatic, laser and polyester plates.

Alkaline Paper Check Pen

Tester pen used to determine the acidity/alkalinity of white paper materials. Available with a large tip.

Anthem Deletion Pen

Removes unwanted images on Presstek Anthem plates. Available with a medium tip.

CPR Deletion Pen

Removes unwanted images on Agfa CopyRapid and Heidelberg Saphira Violet plates.

Electrostatic Image Deletion Pen

Designed for use on all types of electrostatic plates. Available with medium or large tips.

Laser Plate Deletion Pen

Deletes images on most laser direct plates, such as AB Dick Laser-Edge, Base-Line Laser Direct, DAA International Genie, Hurst Smart, Kimoto, Xante Myriad and TechNova.

Metal Deletion Pen "Positive Remover"

For use on most types of aqueous positive-working metal and unbaked CTP metal plates. Available with medium or extra large tips.

Metal Deletion Pen "Type F"

For use on Agfa, Fuji, Konica Minolta, Lastra (Western Lithotech) and Creo (Spectratech) plates. Available with fine, medium or large tips.

Metal Deletion Pen "Type K"

For use on most negative working metal plates, such as AB Dick Triton, Anocoil, Citiplate, DuPont, Imation, Kodak Polychrome, Konica Minolta, PDI Prisma 830, Southern Lithoplate and Creo (Spectratech). Available with fine, medium, large or extra large tips.

pH Tester Pen

Quick and easy way to test the pH value of white paper substrates. Available with a large tip.

Silver Image and SilverPoly Deletion Pens

The Silver Image Deletion Pen is for use on all types of silver paper-based printing plates including Mitsubishi SilverMaster. Available with medium or large tip.

The SilverPoly™ pen is designed to work on all types of silver polyester-based printing plates, including Mitsubishi SilverDigi, AB Dick DPM, Agfa Supermaster and Heidelberg Crystila.

Thermal Deletion Pen

For most CTP thermal digital plates, such as Agfa Thermostar P970/971, Anocoil Thermal, Fuji LH-PI and LH-PD, and Kodak Sword I and II. Available with medium and extra large tips.
