

# VPI VERTICAL PRINT INSPECTOR

## D5000 Viewing System for Inspection of Large Format Artwork

The VPI viewing system is designed to provide consistent and accurate ISO Standard viewing conditions in the central viewing region of the rear wall.

This product complies with the ISO 3664 Standard for viewing conditions in Graphic Technology and Photography that was established to enhance color reproduction and color communication

worldwide. Compliance requires a system approach and encompasses:

- Light Quality (D50)
- Light Intensity (2000 Lx)
- Evenness of Illumination
- Surround Conditions (neutral matte gray)
- Geometry (minimized glare)

### Special Characteristics

- Accurate D50 standard viewing
- Convenient vertical format
- Print Bar sheet holder
- LiteGuard II® viewing system monitor to help maintain high-quality color reproduction
- Easy-to-move on the included floor casters
- Available in three standard sizes

### Optional Accessories

- Variable intensity for softproof comparisons available for upper and/or lower luminaires
- Height-adjustable artwork holder to support three-dimensional artwork (such as paintings) from the bottom
- Sidewalls for stricter control of ambient light

### Packing

The VPI is shipped disassembled to reduce shipping charges. It is easy to install and to operate. Available for operation at 230, 120 or 100VAC.

*The VPI makes visual evaluation of large format artwork quick and easy. The VPI can also be supplied with a lower luminaire for the ultimate in lighting evenness (models VPI-40x, VPI-52x and VPI-64x).*

Model	Inspection Area (height x width)	Physical Dimensions (height x width x depth)	Electrical	Gross Weight
VPI-40	45.25x40"/115x102cm	85.5x42x33.5"/217x107x85cm	210 Watts	165 Lbs./75 Kg.
VPI-40x	45.25x40"/115x102cm	85.5x42x33.5"/217x107x85cm	315 Watts	185 Lbs./84 Kg.
VPI-52	45.25x52"/115x132cm	85.5x54x33.5"/217x137x85cm	270 Watts	175 Lbs./80 Kg.
VPI-52x	45.25x52"/115x132cm	85.5x54x33.5"/217x137x85cm	405 Watts	200 Lbs./91 Kg.
VPI-64	45.25x64"/115x162cm	85.5x66x33.5"/217x168x85cm	336 Watts	220 Lbs./100 Kg.
VPI-64x	45.25x64"/115x162cm	85.5x66x33.5"/217x168x85cm	504 Watts	250 Lbs./114 Kg.
